➢ Melissa asked if more information could be provided on the details that will be covered in Child Protection curriculum to allow parents advance notice of topics that may be discussed in class.

General Business:

1. Questions asked about students being asked to pick up rubbish if they do not bring fruit. This is not a regular occurrence.
2. Belinda raised the idea of donating the proceeds of one of our fundraisers to a cancer charity, all in support of this. Moved Belinda, 2nd Melissa.
3. Daphne suggested to Julie that parents might be able to get involved in the canteen by way of a home cook canteen day, where parents could get together at school and prepare some healthy alternatives for the canteen to sell. All food would have to be prepared at the school to address hygiene concerns etc. Julie was very supportive of this idea, Daphne will give it some more thought to plan a day and gauge support.
